

Dear Valued Clients,

As you may have heard on the news tonight, Gwinnett County government has given a “stay at home order” for all non-essential businesses starting on March 28th and lasting until April 13th. Thankfully, **veterinary services are considered to be essential services and thus Hamilton Mill Animal Hospital is NOT subject to such a business closure.**

Hamilton Mill Animal Hospital will remain open for our normal business hours which are Monday-Friday from 7am-6pm and Saturdays from 8am-11am. During this time, our team is here to serve you and we will continue to operate using our “Vet Valet” or curbside service. With this service, you can call our hospital at 770-932-1616 when you arrive at our facility and one of our team members will come to your vehicle to assist you. And don’t forget that we are now also offering telemedicine services through our AirVet app that you can download in the Apple Store or on Google Play.

I want to thank you so much for your patience and understanding as we continue to adapt and find new ways to serve you during these difficult times. Our team truly loves what they do and they are eager and willing to help you in any way possible. Thanks again for entrusting Hamilton Mill Animal Hospital with your pet’s health care needs. If you have any questions or concerns, please feel free to call or email us at any time and we will be glad to assist you.

Sincerely,

Jay Fulmer, DVM
Owner- Hamilton Mill Animal Hospital
